

AMERICAN

DUCTILE IRON PIPE

THE RIGHT WAY

To Whom It May Concern,

This letter certifies that our ductile iron pipe is produced at the facility of AMERICAN Cast Iron Pipe Company in Birmingham, Alabama, USA. It complies with all applicable industry standards, namely AWWA C151/ANSI A21.51. It also complies with the Buy America and Buy American Acts, and the American Iron and Steel provisions of the Consolidated Appropriations Act.

Regards,

AMERICAN Ductile Iron Pipe
A Division of AMERICAN Cast Iron Pipe Company
